

Membership Directory – November 2011

*"History repeats itself,
but the special call of an art which has passed away is never reproduced.
It is as utterly gone out of the world as
the song of a destroyed wild bird."*

—Joseph Conrad

The Guild defines "handcraft" as "any article meeting high standards of craftsmanship, fashioned by hand, hand tools, or hand-directed tools and displaying good taste, design, and imagination.

Individual Memberships

Individual membership is open to any craftsman who is a resident of Tennessee; whose work has been accepted by the Standards Committee thru the jury process; who subscribes to the objectives and purposes of the charter; who pays the applicable dues; and who agrees to abide by the provisions of the by-laws of this corporation. An individual member is eligible for all rights, privileges, and responsibilities of membership including voting, serving on the Board of Directors and all committees, and exhibiting at shows.

Life Memberships

Life memberships are awarded to individual members by an affirmative vote of the Board of Directors in recognition for outstanding service to the Foothills Craft Guild. Life members are not required to pay dues and shall share the same privileges as an individual member.

Center Memberships

Center membership consists of a group of two or more craftspeople working together to produce one or more crafts whose work has been accepted by the Standards Com-

mittee in the same manner as is applicable to individual members; who is located in the State of Tennessee; who subscribes to the purposes and policies of the Guild; who pays applicable dues; and who meets the criteria as specified for individual members. Each center is considered to be a single entity and will name the person who speaks and acts for the center and who is responsible for quality control.

If an individual is both a member of a center and has individual membership, the individual membership takes precedence.

Educational Center Memberships

Educational Center membership shall be defined as a recognized organization, school, college, university, or department thereof which teaches one or more crafts; whose application has been accepted by the STANDARDS COMMITTEE and is located within the State of Tennessee; pays applicable dues; and subscribes to the purposes and policies of the Guild. A guild member in good standing must act as their sponsor/liason to oversee quality and distribute information. Education members may exhibit top-quality crafts at the Guild show, but only in such quantities as may be determined by the show committee.

Associate Memberships

Guild membership is not limited to active or producing craft artists. Associate memberships are non-juried and open to all persons interested in supporting Guild objectives and events. Their volunteer participation is an integral part of the Guild. Associate members receive the Guild newsletter, free admission to Guild shows, and are encouraged to participate in membership meetings and other activities.

Honorary Memberships

Honorary memberships are awarded by an affirmative vote of the Board of Directors to persons who have made outstanding contributions to the Guild or to the craft field.

Friends

Friends of Foothills is comprised of individuals who provide financial support to the Guild in its effort to promote awareness and education about fine crafts in Tennessee. The funds are used to support craft scholarships <<http://foothillscraftguild.org/scholarships.html>> available to the public through an application process.

Jury Fests

A Jury Fest is a process of evaluating a person’s handcrafted work to gain entrance into the Foothills Craft Guild, which holds Jury Fests twice each year, spring and late summer. Check the Web site for dates. Once accepted, as long as membership is current (dues paid on time each year), the member need not submit slides or work to participate in a Guild event as long as the work falls within the media category for which the member has been juried.

Media Categories

All members jury into the Guild through a media category. The categories are—

- Clay
- Fiber
- Glass
- Jewelry (all materials allowed)
- Leather
- Metal
- Wood
- Mixed Media
- Natural Materials
- Paper
- Photography
- Polymer / Resin
- Printmaking
- Other (described by the artist)

The member may exhibit and sell any product made primarily from material of the category for which she or he was juried and accepted. Other materials may be included in the pieces only if they comprise a small part of the piece (i.e., leather handles on clay pots.) If a member wants to make and sell products in a different category, she or he must apply anew and submit to the jury process for acceptance into the new category.

DUES — members, dues must be renewed each year, and note that the due date is changing.

Before the General Membership meeting Nov. 20, 2011, members will be asked to approved changing the dues year from the current year of March through February to coincide with our fiscal year which runs July 1 through June 30. The change-over will be a two-year process. Next year will be a transition year.

In 2012, dues will be due by June 30, and the amount of dues for individual members will be \$60. This is the same monthly rate as the current dues (\$3.75 per month), but it will cover a **16-month period from March 1, 2012, through June 30, 2013**, rather than the usual 12-month period.

Then in 2013 and thereafter, dues of \$45 will be due by June 30.

Using a 16-month year during the transition year avoids the administrative burden of having to collect dues twice in 2012—once for the 4-month period from March 2012 to June 2012 and once for the 12-month period from July 2012 to June 2013.

Members will still be able to pay their dues (16-month rate) for the 2012 transition year at the end of the 2011 Fall Show.

Dues for 2012 (to cover 16 months) are **\$60** for individual members, **\$120** for center memberships, **\$167** for educational center memberships, and **\$47** for associate memberships.

Beginning 2013 the 12-month annual membership dues will resume: **\$45** for individual members, **\$90** for center memberships, **\$125** for educational center memberships, and **\$35** for associate memberships.

Demo booths may have columns in the booth space. Invitations will be sent out July 2011. If not selected, you will be offered the Early Bird Rate on booth fees.

3. Daily Demonstrator

Demonstrate at least one full day of show, 10% commission on total sales will be collected at checkout. Demonstration space may be a partial booth or draped table. No deposit required. If not selected you will be notified in July 2011 and offered the Early Bird Rate on booth fees.

4. Booth Sharing Option

Booth sharing (2 Guild members). One person turns in the contract and pays fees.

* Market Place Group Booth

Tables are provided...but, if you have something small or a compact display shelf, that would be appreciated. If 13 people sign up for the Market Place (group booth's official name), the space will be divided into 13 spaces. If 6 people sign up, the space is divided into 6 spaces.

Everyone gets creative with his/her own display so to capture people's attention when they come in.

All sales go thru a central cash box. You will not receive your money for the show until several weeks after the show. The accounting is very labor intensive and has to be reconciled, then checks are cut for EVERYONE who was in the Market Place, as well as those that are due money from sales that were charged. There can be 50 to 100 checks cut. It is not a quick process, but efficient.

One Guild Member volunteers to be in charge of the Market Place and you will be contacted by that person either sometime in August or, more likely, September.

You will schedule your working time with this Market Place coordinator.
