**Dear Member,**

**The updated Membership Directory is now posted on the FCG Web site:**

<http://www.foothillscraftguild.org/membership.pdf>

Please check this directory for your personal information. It is in PDF format. If you have a reader that is not Adobe Acrobat, the FIND box may not be present, but the names are in alpha order by last name, therefore are easy to locate.

You may print a copy for your convenience. It is 21 pages, letter size (8-1/2" x 11"). There is some color. If you don't have a color printer, black only should work.

Please note that in addition to the personal information (street address, phone numbers, email, etc.), members have also been organized by

- a. category
- b. zip code
- c. year of enrollment.

Make sure your name is in the correct place in these lists.

I will be updating the directory after the August Jury Fest to include the new members. If there are significant corrections and changes, I will make an update before then.

If you have corrections or changes to make, please email them to me, Kathryn Aycock, at [aycock08@comcast.net](mailto:aycock08@comcast.net)

### **DUES DUE DATE IS CHANGING!**

At the General Membership meeting June 8, 2011, FCG members approved changing the dues year from the current year of March through February to coincide with our fiscal year which runs July 1 through June 30. The changeover will be a two-year process. Next year will be a transition year.

In 2012, dues will still be due by February 29; however, the amount of dues for individual members will be **\$60**. This is the same monthly rate as the current dues (\$3.75 per month), but it **will cover a 16-month period from March 1, 2012, through June 30, 2013**, rather than the usual 12-month period.

**Then, in 2013 and thereafter, dues of \$45 will be due by June 30.**

Using a 16-month year during the transition year avoids the administrative burden of having to collect dues twice in 2012—once for the 4-month period from March 2012 to June 2012 and once for the 12-month period from July 2012 to June 2013.

Members will still be able to pay their dues (16-month rate) for the 2012 transition year at the end of the 2011 Fall Show.

**Dues for 2012 (to cover 16 months) are \$60 for individual members, \$120 for center memberships, and \$167 for educational center memberships.**

Beginning 2013 the 12-month annual membership dues will resume: \$45 for individual members, \$90 for center memberships, and \$125 for education center memberships.

#### LAST CALL:

##### work left from the February Exhibit/Show

If you still have work being stored at the office left over from the February Exhibit, this is the last call to claim it.

It must be claimed by the end of July or it will be considered a donation to the Guild, and we will add it to our permanent collection. We rent a small space in the Emporium and do not have room for storage.

Since our office is not manned daily, you can contact a Board member to find out how to claim your work. Otherwise, we thank you for the donation!

Robbie Gentry, President
