Foothills special events

in Knoxville and surrounding communities assists with establishing a continuous presence that we should all want to encourage. They afford our members recognition for the great work they create, while marketing Foothills Craft Guild.

Let's meet to discuss and brainstorm ways to get our art, artisans, and ideas out into the wider community. This will give our organization new and, hopefully, fun outlets that will support our members now and in the future.

Who knows where our discussions may go from T-shirts, bumper stickers, first Friday openings to KMA exhibit opportunities. And that may just be the beginning. We'd love to see you at our meeting.

Email York Haverkamp at yorkpottery@gmail.com if you have any questions or comments. Thanks and hope to see you there.

Dear Member,

BOOTH CONTRACTS AND FEES ARE DUE BEFORE JUNE 30 TO GET THE BETTER RATE.

Everything is on track for the FCG Fine Craft Fair November 18-20, 2011.

Guild members who wish to participate with a sales booth should get their contracts and booth fee payment in to the Foothills P.O. Box (at left) before June 30, 2011. After that date, booth fee rates increase by \$25.

The final deadline for member contracts is September 10, after which we will begin inviting Guest artists to fill any remaining booth spaces. New members jurying in this summer will be offered the Early Bird rates on booth fees.

Decisions about craft demonstrations will be made in mid-July.

Anyone who has applied to be a Featured Demonstrator at the fall show will be contacted as soon as these decisions have been finalized. If you are not selected, you will be offered the Early Bird rates on booth fees.

We are looking forward to an exciting and prosperous show!

Karen Noggle, Guild Show Director
