

Travel Directions to A Fine Craft Fair

In Knoxville, a short segment of I-40 is closed to thru traffic in the downtown area due to road construction. It is easy to get around it using the I-640 loop around the northern side of Knoxville. This is referred to as the **I-40 Detour**.

If you heading east on I-40: Take the I-40 East detour (which puts you on I-640). Continue all the way east around Knoxville, past Exit 8 (Washington Pike/Knoxville Center mall), until 3 lanes go to Asheville. Stay in the right-hand lane and exit where it says "**Downtown, Local Traffic Only**." Within a half-mile you take exit # **392A on Rutledge Pike** (11W South). Continue about one mile on Rutledge Pike South (it turns into Magnolia Ave.) Turn right on Lakeside Dr., go one block and turn left into Chilhowee Park (fenced area). Drive until you see the Jacob Bldg on your right.

If you are heading west on I-40:

When you get close to Knoxville, several lanes will split to the right on the I-40 West Detour (also I-640). Do not take this! Stay in the left-hand lane and exit where it says "**Downtown, Local Traffic Only**". (This used to be the I-40 West exit, but they don't have signs saying this right now.) Within a half-mile you take exit # 392A on Rutledge Pike (11W South). Continue about one mile on Rutledge Pike South (it turns into Magnolia Ave.) Turn right on Lakeside Dr., go one block and turn left into Chilhowee Park (fenced area.) Drive until you see the Jacob Bldg on your right.

If you are heading south on I-75:

Take I-40 Detour east (I-640 east). Continue east around Knoxville, past Exit 8 (Washington Pike/Knoxville Center mall), until 3 lanes go to Asheville. Stay in the right-hand lane and exit where it says "**Downtown, Local Traffic Only**". Within a half-mile you take exit # 392A on Rutledge Pike (11W South). Continue about one mile on Rutledge Pike South (it turns into Magnolia Ave.) Turn right on Lakeside Dr., go one block and turn left into Chilhowee Park (fenced area). Drive until you see the Jacob Bldg on your right.

If you are coming from south Knoxville or downtown Knoxville, Maryville, etc.

You can go two different ways:

A) Get on Neyland Drive (US 158) and travel east. Continue on Neyland Drive, as it loops around downtown, stay in the left-hand lane. Close to I-40, get in the right hand lane and follow signs for I-40 East, exiting off to the right. This lane will take you thru a construction zone and a stoplight to the I-40 East entrance ramp. Stay on I-40 East for a couple of miles and take exit # 392, Rutledge Pike. Go to stoplight, turn left on Rutledge Pike (south). Continue about one mile on Rutledge Pike South (it turns into Magnolia Ave.) Turn right on Lakeside Dr., go one block and turn left into Chilhowee Park. Drive until you see the Jacob Bldg on your right.

B) Take I-40 east to 275-North to I-40 East Detour. Take I-40 Detour east around Knoxville, past Exit 8 (Washington Pike/Knoxville Center mall), until 3 lanes go to Asheville.
